With Phyto-cellular Formula

# Age-Defying Essentials

5 steps to a younger looking skin!

## 1 CELL RENEWAL WASH *Luxuriant facial cleanser*

Cell Renewal Wash is a luxuriant facial cleanser that lathers away the impurities on the skin and simultaneously stimulates cell renewal from within. This silky cleanser significantly soothes and hydrates the skin, dispelling all signs of dullness after just one wash so as to prepare the skin for subsequent treatments.

**Application:** Use every morning and evening. Squeeze a small amount into palm and work into a lather with water. Apply on pre-moistened skin of face and neck. Lightly massage to remove impurities. Rinse with lukewarm water. Tone. Pat dry. Follow with day or night skin care.

## 2 CELL RENEWAL TONER *Refreshes and tones skin*

Cell Renewal Toner is a botanical lotion that provides intense moisture to replenish the skin's elasticity and smoothness after the daily cleansing routine. With rich nutrients and cell regeneration effect, it refreshes and tones the skin to help restore its natural pH balance.

**Application:** Soak a cotton pad with lotion and smoothen over face and neck every morning and evening to tone skin and complete the cleansing routine. Allow to dry naturally for a few minutes before following with subsequent day or night skin care.

## 3 AGE-DEFYING ESSENCE *Regenerate and regain radiance*

Age-Defying Essence is especially ideal for matured and wrinkled skin. Formulated with powerful active ingredients and cutting edge technology, this essence not only helps to protect the healthy human dermal cells within but also significantly diminishes the appearance of fine lines and wrinkles to reduce signs of aging. Continuous application enables the skin to regenerate and regain its radiance, firmness and youthfulness.

**Application:** Apply morning and evening on thoroughly cleansed and toned skin of face and neck.

## 4 HYDRO FUSION MOISTURIZER *Restore moisture and suppleness*

Hydro Infusion Moisturizer is formulated with Sodium Hyaluronate to help rejuvenate and restore the moisture and suppleness in fatigue skin. Its age defence effect strengthens the skin's hydro-lipid film barrier to defend against the external environment while visibly diminishes the appearance of fine lines and wrinkles to reduce signs of aging. Daily application of this hydrating and ultra silky moisturizing fluid enables the skin to exude that perfect glow, delivering a firmer and fresher looking skin.

**Application:** Every morning and/or evening, smooth over thoroughly cleansed and toned skin of face and neck and follow with day or night skincare.

## 5 SUN PROTECTOR EMULSION SPF 30 *Maximum protection against UV rays*

Sun Protector Emulsion SPF 30 is a non-greasy revitalizing fluid that provides maximum protection for your skin from the harmful ultraviolet rays of the sun. Enriched with a powerful blend of ingredients including vitamins A, E and Aloe Vera, it facilitates the epidermal hydration of the skin while providing full continuum defense against other environmental pollutants throughout the day.

**Application:** Dab a small amount every morning on thoroughly cleansed and toned face and neck and smooth on evenly. Repeat frequently with prolonged exposure to sun. We recommend using this product whenever you are going out into the sun, even if it's for just 10 minutes. Combine with other products for complete skin treatment.
