Dear LFI Members

**The long awaited LFI Today (Vol. 8) is out now!**

In this issue, we featured our three Centurion Renewal Award recipients whom are all born in the year of the Rabbit! Hear how they managed to overcome the various obstacles in life as well as their determination in this business!

What's more, let us reminisce how our 86 privileged inLife members had the opportunity to be treated like royalties over a three-night cruise that offers ports of call to two beautiful islands in Malaysia.

This issue, we have included a **Get Fit** section where our fitness consultant, Mr. William Chua shares his favourite workout using dumbbells to achieve that contour on quadriceps and hamstrings. In addition, we also bring you behind the scenes to have an exclusive peek at our Wellness Sanctuary makeover shoot!

To find out more, buy a copy of LFI Today Vol. 8 today! LFI Today Vol. 8 is now available over our sales counters at \$3.75 per copy or \$10.70 for 3 copies.

Please enjoy!
